Direct Debit Authorisation (valid for banks in Austria and Germany)

I / we hereby authorise the company **nic.at Internet Verwaltungs- und Betriebs-GmbH**, to collect any payments to be made by direct debit from my / our account on their due dates with immediate effect. My / our bank in Austria or Germany is authorised to pay these direct debits, whereby the bank is not obliged to make these payments, especially if my / our account does not contain appropriate funds for the payment of such amounts.

I am / we are entitled to arrange for the reversal of such payments at my / our bank within a period of 42 calendar days from the date of the debiting without stating the reasons for this.

This authorisation can be cancelled at any time.
